Hey Todd,

How are things progressing with Pooja / Legal / etc? Anything you need me to follow up on here?

I have a sensitive, very under the radar investigation that I need on an individual here in the U.S. Per usual it's pretty urgent (getting dead date from Joe now). Is this something you guys are interested in?

Hey Matt,

Sorry, I missed this yesterday. A lawsuit was recently filed against Travis and we're looking for some discreet research on the individual that's filed it. Something you guys can work on? It's here in the U.S.

Hoping to get something back to Salle first of January or so. I don't have specific tasking on this, other than we have no idea who this dude is.

Would like to keep any communication about it encrypted or over chat to avoid potential discovery issues.

If it's something you can take on, I'll shot over the details.

Hope you guys are having a good holiday season.

Mat, we are happy to undertake the requested research; we do quite a bit of this work for law firms. Please provide the details when available, and I will get back to you immediately.

Also, our MSA with Pooja and the lawyers is completed. We now have a very easy way to undertake individual projects. Once we have the details on this project, I will complete that form and submit as well.

Merry Christmas to you and your growing family!
Todd and Matt

Hey Todd,

Attached is the complaint with him and his lawyer named. In your SOW, can you make sure to keep it general enough so that the research remains discreet from a discovery perspective?

Let me know when you think you have a due date in mind so I can relay it up.

Thanks,

Mat

Mat, thanks for the information. After a quick secondary review of both the lawyer and plaintiff, I suggest that you may also wish for some details on the plaintiff's relationship with the lawyer as they outwardly appear to be at least college, if not life-long, friends.

Spencer Meyer (plaintiff) received his Bachelor's degree from Dartmouth in 2002 and his MS (2004) and PhD (2014) from the University of Maine in forest resources. He is currently at Yale and lives in New Haven, CT.

Andrew Schmidt (lawyer) also received his Bachelor's degree from Dartmouth in 2002 and law degree from UVa in 2006. In 2010 he founded "Towards Justice", a nonprofit that fights wage theft among low-income, mostly immigrant workers in Colorado. He moved from Colorado to Maine in 2013, the same time that Spencer Meyer was there. He focuses on labor law.

- > On the "maineworkerjustice.com" website, one testimonial said that, "Andy devised a nationwide plaintiffs' class action suit that no other lawyer had likely ever conceived, and in moving it forward, Andy quickly transformed the working conditions of thousands."

My recommendation on moving forward is to undertake a medium "Level-2" assessment of Spencer Meyer. This would include:

- > An extensive public records search, including legal checks and court documents, government records (tax and mortgage, etc.), and affiliations/memberships.
- > Social media assessment (including interactions with or about Andrew Schmidt and anything related to Uber)
- > An initial "light-touch" reputational due diligence, engaging in 7 primary source interviews that should highlight any issues for further digging, such as participating in any past lawsuits (particularly with Andrew Schmidt), and his relationship with Andrew Schmidt.

As part of this effort on Meyer, we will also look to determine the likelihood that the attorney, Mr. Schmidt, is actually the driving force behind the complaint.

We can complete this task in 10 business days at a cost of \$19,500. We will provide intel as soon as we have anything substantial, followed by a written report that highlights all derogatories and areas requiring additional investigation.

Let me know if you wish for any adjustments to this plan. I will then complete the paper work with Pooja.
Best, Todd

MM, I THINK MAT'S RESPONSE IS AT THE TOP OF THIS MESSAGE BUT IT

- > Andrew Schmidt (lawyer) also received his Bachelor's degree from Dartmouth in 2002 and law degree from UVa in 2006. In 2010 he founded "Towards Justice", a nonprofit that fights wage theft among low-income, mostly immigrant workers in Colorado. He moved from Colorado to Maine in 2013, the same time that Spencer Meyer was there. He focuses on labor law.
